

MAKE A PLAN. GET A KIT. BE INFORMED.

FIRE SAFETY AND PREVENTION

10/25/2010, 7-8 p.m.

*Maumee Fire Station 1
220 Illinois Ave., Maumee*

Home fires are the most common disaster in the United States. Fires can cause a significant amount of damage, and can happen anywhere in our community. Do you have working smoke detectors? Does your family have a plan? Would you know where to meet outside, how to get in touch with family members? Learn how you can be better prepared in case a fire would happen.

Introduction by

**Mayor
Mike Bell**

Former Toledo Fire Chief

Presented by

**Brandon
Loboschefski**

Maumee Fire Prevention Chief
